REQUEST FOR APPROVAL TO AMEND DRAWINGS

Hon. Commissioner of Patents
Washington, D.C. 20231

RECEIVED
DEC 05 2002
TC 1700

Sir:

In response to the Office Action dated June 4, 2002, Applicants kindly request approval for the following proposed drawing amendments.

IN THE DRAWINGS

Please see the three attached drawings with proposed changes shown in red. In addition, for the Examiner's convenience and to indicate the removal of solid shading areas, Applicants have attached clean copies of the revised drawings as proposed.

REMARKS

The drawing changes are proposed bearing in mind the Examiner's concerns regarding the reference characters and the use of solid black shading areas. See paragraphs 3 and 4 of the outstanding Office Action. In addition, with respect to paragraph 2a of the outstanding Office Action, Applicant proposes to include a means for generating a vacuum in Figure 1 (reference character 39). Regarding the addition of reference character 39, Applicants note that the specification fully supports this addition. See, for instance, page 5, lines 3-5 of the specification.

It is respectfully submitted that no new matter is being introduced with the proposed amendments and approval of the amendments is respectfully requested.

Respectfully submitted,
PILLSBURY WINTHROP LLP
